ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN

Hyde Park. This famous park of 300 acres, named from the manor of Hyde, and once an appanage of Westminster Abbey, was first planted as a park by Henry VIII. Here Queen Elizabeth hunted, here Charles II. held horse races, and within its confines many duels have been fought. To-day it is a favourite rendezvous for rich and poor alike, and is famous for its political demonstrations.
